

## ASHRAE Montréal Scholarships

The Montreal Chapter pursues its mission to support the next generation in the field of building mechanics by giving, through its foundation, two 600\$ scholarships to deserving students. One of these scholarships is awarded to an undergraduate university student (Concordia, ETS, Polytechnique, Sherbrooke) and the second is for a student in a technical building mechanics program (Ahuntsic, St-Hyacinthe, Vanier).

The following selection criteria will be considered for the granting of awards:

- Financial need;
- Involvement of the candidate in the field of building mechanics and HVAC;
- Quality of the cover letter;
- Good academic standing;
- Full time enrolment, ie. not graduating or going to university (for CEGEP students).

The following documents need to be submitted:

- Cover letter electronically signed or authorized by you and the ASHRAE Student Advisor of your school;
- Academic transcript (including fall 2019);
- Curriculum Vitae.

Documents must be sent before **April 30<sup>th</sup> 2020** to:

[etudiants@ashraemontreal.org](mailto:etudiants@ashraemontreal.org)

Awarding of the scholarships: checks will be mailed directly to winners in May and recognition will take place during a Dinner Conference in fall 2020 at Club St-James. The participants will be informed.
