

ASHRAE Montréal Scholarships

The Montreal Chapter pursues its mission to support the next generation in the field of building mechanics by giving, through its foundations, four **600\$** scholarships to deserving students. Two of these scholarships are awarded to an undergraduate university students (Concordia, ETS, Polytechnique, Sherbrooke, McGill) and the two others are for students in a building systems engineering technology program (Ahuntsic, St-Hyacinthe, Vanier, Trois-Rivières).

The following selection criteria will be considered for the granting of awards:

- Financial need;
- Involvement of the candidate in the field of building mechanics and HVAC;
- Quality of the cover letter;
- Good academic standing;
- Full time enrolment, ie. not graduating or going to university (for cegep students).

The following documents need to be submitted:

- Cover letter electronically signed or authorized by you and the ASHRAE Student Advisor of your school;
- Academic transcript (including fall 2021);
- Curriculum Vitae;
- Photo of you (which can be sent by May 2nd to info@name of the website for presentation of winners).

The first three documents must be sent before **April 30th 2022** to:

etudiants@ashraemontreal.org

Awarding of the scholarships: All participants will be able to participate for free in the Monthly Evening of May 9th at St-James's Club or in webinar format where we will reveal the names of the winners. The winners will receive their prizes in person for those from the Fondation ASHRAE Montreal or by mail in June for the scholarship winners from the ASHRAE Head Office. Participants will be notified.
